The Mental *Un*health of Violence

WHEN

THURSDAY, FEBRUARY 18, 2016 | 4:30 - 6:30 PM

WHERE

CA State University San Bernardino — Palm Desert Campus

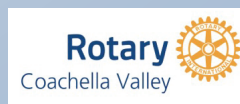

Join Us Mass shootings in the United States have become a steady drumbeat in our cultural landscape. They now happen in our workplace, schools, malls, theaters and public places once thought to be safe. Are these tragedies linked to mental illness? The *CVHS Health Academy* will address this Critical Conversation. Join key figures in government, mental health, public safety, and education to discuss the issues related to violence in America.

Admission is FREE. The forum is open to the community, area high school and college students, members of education, government, public safety and mental health. Seating is limited.
