SPONSORSHIP INVITATION

Help prepare those who respond before first responders arrive

A Regional Investment in Readiness

Code-4Forums invites local school districts, regional and tribal governments to partner with the 2026 Incident Management Summit (IMS), a two-day training event created for educators, administrators, school safety personnel, counselors, faith-based organizations, and community leaders. **The first five minutes of an emergency are often the most critical.** IMS helps prepare those already on scene to serve as pre-first responders until professional help arrives.

OCT 5-6 2026	8 AM-5 PM Both days	INDIAN WELLS Wellspring Church Auditoriums
